SOAR SPRING/SUMMER Swim Season

April 27 - August 2nd

The SOAR Team offers training and practice groups for swimmers of all ages and ability levels. It is the goal of the SOAR Team to offer age specific training geared towards challenging each swimmer and developing each individual to the best of *their* abilities.

Junior Group

This is the entry level to SOAR Swim Team. These swimmers are between 6-13 year old. The group will learn to use racing starts, turns and competition rules for the four competitive strokes. These swimmers will be expected to compete in local swim meets and participate in SOAR team events at Sun Oaks. These swimmers often come from our SOAR Summer Swim Team, as well as graduates from the SOAR Stroke School, as well as other recreational, and competitive swimming programs.
